Sand Filter Wastewater Treatment System Annual Service Contract

This Agreement is made between (Owner/Occupier) _____

of (Address) _____

and Coastal Wastewater Specialists or their duly appointed agent.

The duration of the Agreement is for a period of twelve calendar months.

Coastal Wastewater Specialists or their agent, upon payment of \$_____ and the signature of the afore-mentioned person at the place indicated below, and upon acceptance of this application by a duly authorized employee of Coastal Wastewater Specialists, agrees, for the period indicated to the following:

1. An annual field service inspection will be made by a fully qualified and experienced employee. The following items* will be checked or tested at this annual service:

TESTED	CHECKED
pH level of effluent	Efficiency of chlorinator/UV disinfection/other disinfection
Free residual chlorine level	Chlorine tablets (does not include cost of replenishing chlorine.)
Level of dissolved oxygen	Visual inspection for ponding above filter
Temperature of effluent	Drainback to final effluent chamber is running freely
High water level alarms	Zabel filter/or equivalent
Low air alarms	Check irrigation and recirc pumps are operational
Clarity of water	Condition of irrigation area
	Electrical compartment is in good condition.
	Condition of all hoses and irrigation sprays
	Media filter vents checked for damage and mosquito proofing.
ANNUAL check and test only:	Amount of sludge accumulation in the septic chamber. (De-sludging is NOT included.)

2. Both labour and materials will be charged for any emergency service call outside the annual service specified above.
3. This annual servicing agreement does *NOT* include the maintenance of the irrigation area or repairs to any part of the treatment system or the pumps. All repairs are on a strictly C.O.D. basis.
4. This agreement does not bind Coastal Wastewater Specialists or it's duly appointed agent to be responsible for the quality of the effluent. However, it will at all times, wherever possible, recommend how the effluent quality can be maintained at its maximum and alter and adjust the system during these regular visits in an endeavour to obtain the best possible effluent standards.

In applying for this agreement, the undersigned acknowledges that this Agreement is binding while they are the owner/occupier of the premises. Coastal Wastewater Specialists will transfer the unexpired portion of this contract to any new owner/occupier to comply with the relevant health legislation.

I hereby apply for the above Agreement and submit the sum of \$_____ therefore.

(Owner/Occupier's signature)

Accepted the _____ day of _____, 20_____.

By: _____ *Provided there is proper access at the time of inspection.
